2011 Award Recipient Beatrice Flomo

Beatrice is from Liberia and fled the country as a refugee. Beatrice lost family, including her father in the war. Once in the U.S., she endured learning a new language, difficulties adjusting in school, violence in her life along with many other obstacles. Despite all this Beatrice continues to be determined to make her life better. She worked hard to graduate from high school, get a full time job and find happiness. She has a never ending quest for knowledge and continues to be achieving her goals this year.

HUCK HOUSE YOUTH AWARDS
AND RECOGNITION BANQUET

“Receiving this award made me so happy. It was the first time in my life that a group of people all clapped for me! I had tears of joy.”

Beatrice Flomo 2011 award recipient

This April 26th Huckleberry House will once again host the Annual Huck House Awards Dinner. We are honored to recognize youth in our community for their success in changing the direction of their lives. **We need your help to support this celebration.** Please sponsor an award winning youth and their family. Your gift ensures that the family will be able to attend this special event in their lives.

Despite homelessness, mental health issues and drug and alcohol dependencies these young people have succeeded. They are making their dreams possible through hard work and perseverance. This is our opportunity to show them we recognize their hard work. We, as a community are proud of them! We all succeed when our kids succeed.

We would like you to be part of supporting this event and show your desire to be involved in the lives of these young people and their families.

We sincerely appreciate your willingness to make this event a celebration for our youth. Please contact me to purchase seats or sponsorship for the 2012 Huck House Awards. \$500 sponsors table for two youth and their families.
