

20th Annual Youth Awards Presented By Huck House

We Can Go ANYWHERE

The Youth Awards recognize and celebrate youth who have dealt with some of the most difficult problems imaginable. Issues like abuse, violence, neglect, poverty, and homelessness. Community organizations who work with youth across central Ohio are invited to nominate young people. The Youth Awards winners are recognized as outstanding individuals who are moving toward the future they want. Proceeds of the Youth Awards Dinner benefit the proven programs of Huckleberry House.
