

# NOVEMBER is YOUTH hope MONTH

homelessness | outreach | prevention | education

Join us! Become a part of a national movement dedicated to **preventing** youth homelessness and **empowering** young lives. Your involvement can inspire change and provide a lifeline to those in need.

1

Organize a donation drive to **make hygiene bags** for Huckleberry House to distribute to young people in our community who are experiencing **HOMELESSNESS**.

Scan QR for a list of highly requested products

2

Schedule a staff **"Wear Green"** day in November. Then post your photos socially, as part of our **OUTREACH** efforts to prevent and end youth homelessness.

Huckleberry House will be wearing green on Nov. 7!

3

**Light your home or building up green** during the month of November. Bring awareness to the cause of youth homelessness and help us **PREVENT** it in our community!

4

Invite Huckleberry House to present a **Lunch & Learn** for your office or community to **EDUCATE** yourselves about youth homelessness.

Available M-F based on availability

For more information, ways to participate, or to schedule/coordinate activities with Huckleberry House, call 614-298-4139 or email [cargiro@huck-house.org](mailto:cargiro@huck-house.org).

Make a financial contribution at: <https://huckhouse.org/donate/>
